

CASTELLO DI GARGONZA

Gargonza (Arezzo) – TUSCANY Region

Location

Castello di Gargonza, hotel in Val di Chiana Tuscany, is located in the heart of Tuscany, between Siena and Arezzo along the rolling hills that border the Crete Senesi, Chianti Classico wine region and Val di Chiana. It is easily accessible because it is just off near the Monte San Savino A1 highway exit, and it is close to the outlet village for shopping.

You can choose between bed and breakfast and self catering accommodation. A holiday in Gargonza is characterized by tranquility, nature, art, history, tuscan food and wine tastings and even shopping (within the antique markets of Arezzo and Cortona and the nearby brand-name outlet stores).

On a 45 minutes car range from the village of Gargonza, you cannot miss the Etruscan Via, an itinerary through Arezzo, Castgion Fiorentino and Cortona that allows you to discover the mysterious people who are thought to have inhabited and named Gagonza; as well as the works of art of Piero della Francesca, a renaissance Tuscan master, located amidst Arezzo, Monterchi and Sansepolcro; Lucignano, another enchanting medieval village of Val di Chiana; the wine trails of Chianti, Terre di Arezzo and Siena, Montepulciano and Montalcino, to discover wine, olive oil, and the traditional flavors of this area of Tuscany.

Property

Gargonza is a medieval village and is privately owned and managed by the Guicciardini family who restored the village starting 40 years ago and slowly transformed it from a Farm to a venue. It is ideal for weddings since all the houses inside the village are actually the rooms for your guests. Breakfast is located inside the village and restaurant and swimming pool are located just outside the walls at the bottom of the hamlet.

We have a church for religious weddings and two gardens inside the village for the symbolic ceremonies and congratulation cocktail plus a nice area by the pool for an outdoor welcome dinner.

Gargonza's full capacity is of 47 rooms inside our classic/comfort rooms and classic/superior apartments and we can accommodate up to 110 people. But we can also have smaller groups by assigning rooms in one of the areas of the village without taking all of it.

Rooms

The rooms are located inside various buildings within the village. There are 13 buildings which maintain their authentic structure and original atmosphere thanks to a careful restoration process. The comforts are modern while the atmosphere retains the feel of a long ago. There are three types of accommodations; comfort, classic, and superior, housing from one to four guests in utmost comfort.
